

## T. B. Free Area Discussed At Three Meetings in M.D.

Mr. Hugh McPhail, district agriculturist, has reported on the three meetings held recently at Carstairs, Crossfield and Oids to discuss the possibility of forming the Municipal District of Mountain View into a T.B. Free area.

The meetings were addressed by Dr. Ballantyne, provincial veterinarian, and Dr. Storey, of the Health of Animals Branch of the Dominion Dept. of Agriculture.

These meetings were called by the Agricultural Service Board so that the cattle owners might be informed of the requirements and advantages of making the district a restricted area insofar as bovine tuberculosis is concerned.

Before a restricted area can be established two thirds of the cattle owners must sign a petition favoring such action. After they have approved establishment of such an area, all cattle within the area will be tested. This is done by Dominion veterinarians approved by the Dominion and the expense is borne by the Dominion.

Many questions were asked at the meetings and after full discussion a vote was taken. At Carstairs and Crossfield no one voted against the establishment of such an area, but at Oids three did vote against it. The only objections raised were in the difficulty of bringing feeder cattle into a restricted area.

Dr. Storey explained how this can be done. Feeders could be taken in stockyards subject to T.B. test. They would have to stay in the yard three days while test was made. When taken home they would have to be tested again in 60 days, but compensation would be paid for reactors.

If stock were going to be returned to the stockyards for sale within 100 days of sale, no second test would be made.

A second method not favored by Dr. Storey would allow the feeders to be brought home at once under permit and tested there (but kept isolated). In this case no compensation is paid for reactors.

Feeders from restricted areas could move through stock yards without test.

Some suggested if applied province wide that all difficulties would be eliminated. That condition is being brought about as fast as possible at present.

Testing is being done in M.D. 18 just east of this municipality.

All the M.D.'s north of this to Edmonton are signing up now or

## SUCH WAS LIFE

One of the early settlers had managed to raise one gobbler out of a brood of six. The other five were lost by straying away and picked up by coyotes or died a natural death due to wet weather.

The question arose as to what would be the best way of using the turkey. If it was eaten at Christmas there would be no money to buy clothes. It was therefore decided to sell it and buy clothes for the winter.

The family had heard of a rancher who would pay five dollars for a good tom turkey delivered six miles northwest. Our subject had a team but no wagon, so he had to borrow one from a neighbor and happily started out to deliver the turkey and collect the five dollars to buy clothes with.

Not knowing the trails and creek crossings he cut across the prairie to save time and get back in a hurry, but soon found himself up against a small creek and not a sign of a crossing in an effort to get the horses to jump at a narrow point the sod gave way and one of the horses fell and smashed the tongue of the wagon. Having a supply of hay (the settler's friend) he wound the tongue and managed to deliver the turkey and get his five dollars. But what about the borrowed wagon with a broken tongue? He was six miles from a blacksmith shop and decided to drive into town and have a "what's the damage?" he asked the blacksmith. "Five bucks," was the reply.

So our friend started home after a hard day's trip, and had to face his family with no turkey, no five dollars and no clothes. He had only the privilege of substituting hopes for "better luck next time" if a next time ever came.

## MRS. J.W. MCCOY COMPLETES 21 YEARS AS CLUB PRESIDENT

On October 28th the Ladies' Curling Club had their first meeting of the season in the waiting room of the curling rink, and the new president, Mrs. Platz, was in the chair.

Plans were made for the annual bonspiel.

During the evening Mrs. Wm. McCoy (Daisy Mae to most of the curlers) was presented with a dozen roses and an overnight case. Mrs. McCoy has been president of the local ladies' curling club for over 21 years, and due to her faithfulness and untiring efforts curling is now being enjoyed in one of the finest curling rinks along the line.

## Ditching Machine Nears End of Job

While the smaller ditching machine of Wilson Construction Co. does not seem to be making the progress that the larger machine was doing before it was shipped out to Edson, the crew has been steadily on the job and has nearly completed the laying of the water and sewer mains. In fact the water mains have all been laid with the exception of down the street running east and west from the Woods corner past the Health Unit to the new W. Payne residence. Sewer mains have to be laid on this same street, and on the street from the Dr. Allan corner to the end of the street at the Gus Bittner residence.

Work is also progressing favorably on the reservoir on the butte and the structure is now taking shape. If all goes well Mayor H. Lynch-Staunton may realize his hopes that water can be turned on for first protection in the downtown section this winter.

## C.G.I.T. Rally Here This Week End

A Canadian Girls in Training Rally will be held on Saturday and Sunday, November 26 and 27, at Knox United Church, Didsbury. The local C.G.I.T. Groups will be hostesses to guest leaders and groups from Oids, Bowden and Sundre.

The theme of the Rally will be "The Church."

Miss Lillian Tait, Provincial Girls' Work Secretary, will be the chief guest speaker. The girls will gather at noon on Saturday at a pot luck lunch, and during the afternoon will join in a council ring, craft groups and sing-songs. At 6:30 p.m. a banquet will be served under the auspices of the Woman's Missionary Society.

On Sunday at 11 a.m. a public service will be conducted by the girls, with Miss L. Tait as speaker, and special music, to which a cordial invitation is extended to all. In the afternoon there will be discussion groups and demonstrations of missionary projects.

Other guest speakers will include Mrs. S. Atkinson, Wetaskiwin, C.G.I.T. Presbyterial Convenor; Mrs. W. H. Moss, Oids; Miss Kay Edwards, Calgary, provincial C.G.I.T. Vice-president; and Miss Ann Proden, Calgary. Local leaders will also share in the Conference.

Zone representative Howard Halliday of Didsbury addressed the district meeting of the Lions Club at Trochu on Wednesday.

## Midway Curling Rink Now Complete

Farmers and others interested in the new Midway Community Center curling rink east of town may be enjoying this mild fall weather, but at least some of the more ardent curlers are hoping for colder weather so that they can start ice making.

The new rink, a two-sheet structure, was built on the J.C. McCullough farm, and was financed by voluntary donations, using all volunteer labor. A skating rink adjoining to provide skating and hockey for non curlers.

Sixteen sets of curling rocks have been purchased, providing sufficient rocks for the two sheets of ice, and prospective curlers are asked to contact either Jim McCulloch or R.W. Fisher before November 26th if they wish to play in the season's scheduled games.

## Bob Tailed Coyote Meets Its Doom

The short tailed coyote which has been stealing poultry from farmers in the west country for a number of years has met its doom. It was shot, along with 16 others in the coyote drive north west of town on Wednesday afternoon, November 16.

About 100 men from all parts of the district took part in the hunt and while 17 coyotes were taken, several others escaped through the lines. According to the organizers of the drive, men on horseback, at the finish on the Rodney Ridge Farm, drove some of the coyotes out of the line and at least nine escaped because some hunters had advanced too fast and left the lines open.

The honor of bagging the bob-tailed coyote went to George Gillen, who was presented with a prize of a box of shotgun shells for his efforts.

The coyote drive north east of town, on the same afternoon as the one on the west, November 16, drew an estimated 300 or more hunters, but this, too, was not as successful as had been hoped for. Unofficial figures indicate that 14 coyotes were taken, but at least as many more escaped through thick brush towards the close of the drive, which ended on the Geo. Richards farm, about eight miles north east of town.

During the drive six deer were rounded up, but these were let through the lines and not molested. However, it was reported that one hunter could not resist the temptation to shoot a prairie chicken and C.M.P. officials promptly took over his shooting iron.

Since the coyote drives are continuing, hunters will invariably flush game, and a warning is issued to refrain from shooting game not in season. However, magpies and other predators should be shot if possible, as this not only provides sport for the hunters but helps to get rid of predator birds, as well as predator animals.

Another coyote hunt will be held south west of town this afternoon (Wednesday) and will take in an area from the Didsbury blind line to the Carstairs blind line. Trucks will be in town at 1 p.m. to pick up hunters who have no means of transportation.

## DIDSBURY HOSPITAL BIRTHS

Born at the Didsbury hospital to Mr. and Mrs. J.R. Reese on Saturday, November 19, a son.

To Mr. and Mrs. Clifford Murphy on Sunday, November 20, a son.

## Zella Institute to Hold Card Parties

Nine ladies of the Zella W.I. met at the home of Mrs. Wilfred Spooner on Thursday afternoon, November 17 and roll call was answered by "favorite household hints" and there were some good ones, too. The articles to be made for the handcraft section for the convention received considerable discussion.

It was decided to hold card parties in the various homes throughout the winter. The first one takes place at the home of Mrs. Wilbur Jahnhke on Friday evening, November 25, with Mrs. Jahnhke and Mrs. Wilfred Spooner as co-hostesses.

The door prize was won for the fourth successive time by Mrs. Henry Harder.

The December meeting, to be held at the home of Mrs. Cliff Gibbs on Thursday, Dec. 15, is to be the annual meeting and the presence of all members would be appreciated. Roll call is an exchange of Christmas gifts.

Mr. and Mrs. Tony Spooner were business visitors in Calgary on Thursday.

Doug Broadhurst underwent an appendix operation on Thursday morning in the Didsbury hospital. Several from the district took part in the big coyote hunt last Wednesday afternoon.

Guests at a Wear Ever demonstration supper held at the home of Mr. and Mrs. Wallace Brower on Thursday evening were Mr. and Mrs. Henry Sanderman, Mrs. Bill Egginis and Vivian, Mrs. Mrs. Arthur Waldford and Miss Wallis. Mrs. Albert Kern and small son of Hanna left on Wednesday afternoon for the week with her sister, Mrs. Ronnie Luft.

## CHARIVARI FOR NEWLYWEDS

A number of friends surprised Mr. and Mrs. Erney Good at their home south of Didsbury on Wednesday evening, November 16 and the bride and groom were then taken to the home of Mr. and Mrs. Gordon Weber, parents of the bride. More friends arrived and the evening was spent in playing games and chatting. Miss Ebbie Davies assisted in opening the presents, and lunch was served.

The evening was thoroughly enjoyed by all and every success and happiness is extended to Mr. and Mrs. Erney Good.

## Only Nine Members Attend M.V.W.I.

Mrs. W.E. Stiles was hostess to the Mountain View Women's Institute with nine members and two visitors present. Plans were completed for the bazaar and motion pictures on November 29, at 8 p.m. Members are asked to please bring sandwiches, if convenient, for the lunch. Mrs. David Pratt gave magazines for the hospital, and the W.I. share for the stretcher is to be sent in. Also \$5 to the Boyce Polo fund.

Mr. Stiles gave a very interesting demonstration on making drapes from the short course on Home Planning. The draw was won by Mrs. Gebors and the "bit of four" card guessing contest was won by Mrs. Althick.

After drawing names for the Christmas exchange, the hostess served a tasty lunch, ending a pleasant afternoon.

## Annual Meetings of School Sub-Divs.

The annual meetings for all sub-divisions in the Oids School Division will all be held early in December, and a display advertisement in this issue gives the dates and places of each meeting.

There will be two vacancies for divisional trustees this year on the Board, these being in Division 1 and Division 2, and on the meeting days of these divisions the secretary treasurer, S.J. Gilson, will receive nominations for the vacancies at any time prior to 4 p.m.

Sub-Division meetings will be held as follows:

Division 1—Torrington School on December 5th at 2 p.m.

Division 2—Agricultural School, Oids, December 10, at 2 p.m.

Division 3—Crenona School on December 6, at 2 p.m.

Division 4—New Berghall School on December 8, at 2 p.m.

Division 5—Sundre School, at Sundre, December 9, at 2 p.m.

Division 6—Lions Hall, Didsbury, December 7, at 2 p.m.

It is expected that the annual meetings of all school sub-divisions will be well attended this year due to the discussions which will take place on the building of new schools in the Division.

## NOTICE TO SUBSCRIBERS

The Didsbury Pioneer mailing list was brought up to date this week and all subscribers should check the label on their paper for error. Should the label not bear the correct date this office should be notified immediately. Also, if the label shows a date prior to December, 1949, the subscription is in arrears and early payment would be appreciated.

## Walt Fulkert Wins Honors at 'Royal'

Walter Fulkert of Didsbury has brought honor to our district by winning first prize, Champion and Grand Champion at the Toronto Royal Winter Fair for American Saddle Horses.

Walter, who is at the fair in Toronto, also exhibited the filly owned by Dr. Fowler of Lethbridge, and this horse won second prize. Mr. Fulkert, who is a breeder of the famous Kentucky strain of saddle horses, has been exhibiting the animals this past few years at various local fairs but this is the first time that he has taken the horses out of the province, where he has been competing from all parts of Canada and the States.

## Mr. and Mrs. Edwin Reid Celebrate 40th Anniversary

### TB Research

Edwin R. Morris Photo

Medical research, as carried on by select investigators in laboratories throughout the United States, is essential to the conquest of tuberculosis. Grants by the National Tuberculosis Association and its affiliates to all research are made possible by the annual sale of Christmas Seals.

## Municipal Seed Fair In Town Nov. 29

The Agricultural Service Board is sponsoring an unusual kind of seed fair, to be held in the Lions Hall, Didsbury, at 2 p.m. on Tuesday, November 29th.

Seventy-five samples of seed were taken from seed drills last spring by the Field Supervisor and the District Agriculturist, and these were analysed by the Line Elevator Farm Service, and the better samples will appear under the farmer's name, the poorer ones under numbers.

Seventy-two percent of the seed samples were graded rejected.

It should be interesting for farmers to come and see what kind of seed is being sown in this municipality.

Films will be shown and A. M. Wilson, Field Crops Commissioner, will be the speaker.

## T.B. Seals Now on Sale in Alberta

The 1949 Christmas Seal Sale opened last week with the mailing of 200 Christmas Seals to nearly every home in Alberta, according to C. Robert Dickey, general secretary of the Alberta Tuberculosis Association.

Provincial objective is \$155,000. The objective for Red Deer and Central Alberta is \$15,000. The Seal Sale is sponsored in Red Deer and central Alberta by the Rotary Club, and proceeds will be used for extended chest X-ray services through grants to hospitals for X-ray equipment. The rehabilitation and educational services will also be enlarged.

Persons who did not receive seals in the mail may obtain them by writing to the Rotary Club Christmas Seal Office, Red Deer, Alberta.

## Shower Honors Miss Evelyn Dowell

About 60 friends and neighbors of Miss Evelyn Dowell, bride-elect this month, gathered to honor her at a miscellaneous shower in the Lone Pine hall on Tuesday afternoon, November 28th. A short programme of contests, readings and solos was given. Miss Arlene Haste gave a guitar solo. Miss Grace Hunsperger a reading. Mrs. Ruth Goetjen a solo, and the Misses Joyce and Gloria Schumaker a piano duet. Contests were won by Mrs. Otto Bittner, Miss Grace Hunsperger and Mrs. Ruth Eckel. The Misses Joyce Schumaker and Sharon Hunsperger brought in a beautifully decorated basket full of gifts, which were presented to the guest of honor by Mrs. Glen Jackson.

Mrs. Ray Milne and Miss Shirley Stewart assisted the bride in opening her gifts for which she graciously thanked all present.

A delicious lunch was then served by the hostess, Mrs. D.B. Wood, and her daughters, Mrs. Lynn Hunsperger and Mrs. Glen Jackson.

On Saturday, November 12, a large group of old friends and neighbors gathered at the ranch home of Mr. and Mrs. Edwin J. Reid to honor them on the occasion of their 40th wedding anniversary.

Mr. and Mrs. Reid were among the old timers in the district, the former having settled here from Ontario in 1903, and his wife having come from Wisconsin with her parents in 1902. Since their marriage Mr. and Mrs. Reid have lived at Crenona. They have seven children: Mable of Calgary; Clarence, Elmer, Vair, Alan and Alice, all of Crenona; and Lillian of Toronto. The latter two, unfortunately, were unable to attend their parents' anniversary. There are nine grandchildren.

The table was centered with a tiered wedding cake, and a plate lunch was served to the guests by four little neighborhood girls.

Throughout the course of the afternoon and evening 85 guests signed the guest book. Sharing the honors pouring tea were Mrs. Richard Huber, Mrs. Meri Jones, Mrs. Lloyd Colwell, Mrs. Boulter Reid, Mrs. Sara Schultz and Mrs. J. McLean.

The lovely bouquets of chrysanthemums which decorated the home were gifts from their friends, and they received many other cards and remembrances and countless good wishes.

Mr. and Mrs. Reid were presented with a beautiful ruby brooch and a wrist watch from the family, who also had one of their most treasured wedding presents related. This was a silver tea service which was given to them at their wedding in 1909.

The presentations were made by their youngest son, Alan, who also took moving pictures and flash bulb shots during the course of the day.

Out of town guests included Mrs. Jennie Foat of Didsbury, Mr. and Mrs. Richard Huber and Rev. and Mrs. Pybus of Carstairs, Mr. and Mrs. Meri Jones and Barry, Mrs. L. Myhill, Mr. and Mrs. J. Vair Anderson, Mrs. M. Ferguson and Mr. and Mrs. Lloyd Colwell, all of Calgary.

## TO AGAIN PUBLISH HIGH SCHOOL PAPER

The High School paper, "SAHARA" sees all, hears all, knows all, will again be published from the local school and the first issue of the season will be the Christmas number. The paper has been reorganized with Donald Robertson as Editor-in-Chief; Winona Rouleau, Literary Editor; Betty Rupp, News Editor; Jeannette Neufeld, Advertising Editor; Shirley Wilson, Special Departments Editor. The circulation department members are Norman Harder, Hazel Jackson, Opal Swalm and Margery Chandler.

## W.E. BLORE MOVES JEWELLERY STORE TO NEW LOCATION

John Wight is rapidly completing the new block east of the Didsbury Pioneer Office and the first of the owners to move into the new building will be W.E. Blore, proprietor of The Didsbury Jewellery, who has announced a grand opening for Saturday, November 26. To acquaint the buying public with his enlarged stock, Mr. Blore invites everyone to come in on the official opening day. All visitors will be given tickets on three big prizes which will be drawn for at the close of business Saturday evening.

The big meeting to discuss the boundary changes of the Electoral Division of Didsbury will be held in the Lions Hall this afternoon. We understand a large delegation will attend from Three Hills and endeavor to convince the government officials that the boundaries ought to be changed so that more equal representation can be made in towns on the different railroad lines.

## Letter To The Editors

Dear Sir:

By reason of your personal interest in public matters and of the Pioneer's service to the Didsbury District we take the liberty of addressing the following letter to you:

The Board of the Olds School Division No. 31 has been faced with an ever increasing school population for some years and coupled with this is the demand for High School facilities, both of which has increased school costs over which we have no control.

The time has come when both the ratepayers and the Board must face the situation and work out a solution. Temporary school facilities have been provided which are neither adequate nor economical.

During the first week in December the Sub-Divisional annual meetings are being held. When the whole problem will be presented to the ratepayers and suggested ways and means of meeting this crisis through cooperation with the ratepayers, municipal council, the minister of education, the provin-

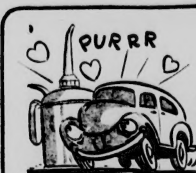

cial and federal governments each of whom must assume its share in placing education on a sound basis.

The situation is this: The Province, in educational policy, has become top heavy in the very necessary administration, curriculum, teachers' training, teachers' salaries, etc., but has utterly failed to provide adequate provision for a building program in keeping with the other advances in education.

The board respectfully submits that the ratepayers must give very serious thought to the correcting of this situation by way of Capital Grants and lower interest rates, also some measure of relief from the burden of taxation on the top six inches of our soil.

This and more can be done if the ratepayers, municipal council, divisional school boards, the department of education, the Alberta and federal governments will come to the realization that children are the nation's greatest asset and with them will rest the life and destiny of Canada.

Respectfully submitted,  
The Olds School Division No. 31

ALBERTA PAVES 200 MILES  
OF ROADS THIS SEASON

More than 200 miles of hard surfacing have been completed by the provincial department of public works during the current season. This is a good slice of the \$13,000,000 which the province has spent this year in improving the highways system.

Preliminary operations for hard surfacing several other highways also were completed this year.

A breakdown on the program outlays shows that in central and northern Alberta, \$3,841,000 was expended to build and improve highways, while \$800,000 went to building and repairing bridges, and \$1,830,000 was used for improving district and market roads.

In the area south of Red Deer, there was \$3,185,000 spent on highways, \$100,000 on bridges and \$1,256,000 on district and market roads.

## FOREST FIRE LOSSES

Between 1940 and 1948 inclusive 17½ million acres of Canadian forest land was burned over with a loss estimated at \$29,582,429. In a single fire in Ontario in June 1948 \$150 million worth of timber was destroyed.

P.F.A. CHECKS TO BE  
MAILED DECEMBER 1

Bushels of cheques for cropland farmers in the west will be dumped into the mails December 1.

R. F. McGregor, Director of the Dominion Government's Prairie Farm Assistance administration, said recently that farmers' P.F.A. cheques are being made out immediately the payments are approved. According to the law 60 per cent of the payment is being made in December; the balance will come in March.

As many as possible of the cheques will be ready for mailing December 1, Mr. McGregor said. He added that farmers in cropland areas should not worry if they do not get their cheques in the first mail after that date. "We will try to get as many as possible out on that date but we can't get them all in the mails then."

Saskatchewan will get approximately \$13,000,000, the biggest slice of the \$17,000,000 P.F.A. Alberta farmers will receive about \$3,500,000 and Manitoba about \$500,000.

The Board of Review, which must approve the eligibility of townships for awards, is speeding its work along. Already three meetings have been held. Three-quarters of the short crop area in Saskatchewan has been covered by the board, and one-third of Alberta's cropland area.

The Board will meet in Ottawa November 14th, and will hold another meeting in the west before December 1.

The Board consists of J.W. Grant MacEwan, dean of agriculture, University of Manitoba; Ira Holmes, Saskatchewan district V.L.A. supervisor, and Gideon Matte, Ottawa, Assistant director P.F.A.

## HOG PRODUCTION UP

Production of hogs by Canadian farmers has shown an upward turn according to Rt. Hon. J.G. Gardiner, Canada's minister of agriculture. While the government is not going to make any recommendations as to the course Canadian farmers should follow with regard to hog production, Mr. Gardiner would like the British to agree to take the maximum amount of surplus bacon from Canada, but admitted that Denmark is re-establishing herself in the United Kingdom market. Mr. Gardiner stated that as long as Canadian farmers can get a market for their hogs at home the government was not going to worry about sending bacon to Great Britain.

## BUTTER PRICE

The Canadian government has over 70 million pounds of butter in its possession, purchased some time ago in order to maintain market prices. It is now offering this butter for sale on the basis of one-half a pound for first grade creamery delivered in carload lots in Ontario or Quebec. The price in other provinces will vary in accordance with transportation costs from the area of production. The Saskatchewan price is 37c and it is presumed that the Alberta price will be about the same.

Science  
turned their  
backs on  
the target

Science is playing an increasingly important role in Canada's new Army. In heavy anti-aircraft, for example, complex radar equipment predicts to within a few feet exactly where the target is and will be. The gunners, their backs to the target, fire with amazing accuracy by instrument.

Training men in the use of modern scientific equipment is a major requirement in Canada's new Army. Thousands of young men are attending some of the finest schools in the country, specializing in electronics, radar, radio and telephone. In addition, there are openings for clerks, drivers, mechanics and many other trades.

New higher pay, good food and quarters, trades training and the opportunity for advancement make the Canadian Army Active Force one of the most attractive careers open to young men today. You are eligible if you are 17 or over and can meet Army requirements. Visit your nearest recruiting office soon for full details. Bring certificates of birth and education with you.

**Westcott Boys In Truck Accident**

(Last Week)

The Folkman boys, Don, Ken and Neil, had a narrow escape from what could have been a very serious accident last Thursday evening while on their way home from Didsbury.

Ken was doing the driving of the truck and when they were about to make the turn just east of the Westcott store the brakes on the vehicle failed to hold and they landed in the ditch against a telephone pole and fence, scattering gas drums, etc. all over, and badly smashing up the truck.

The boys were a little dazed when they picked themselves up, but no one was hurt seriously. Neil did spend a day in hospital and has a broken rib besides his bruises. Ken is also bruised up, but Don escaped with only a chip out of his glasses. When one sees the damages to the truck it is miraculous that the occupants were not more seriously injured.

Miss Jean Dageforde spent the weekend at her home in the district.

Mr. and Mrs. Herb Goetjen were guests at the Fred Metz home last Sunday evening. Mrs. Goetjen having attended Mrs. E. Dowell's shower in the afternoon.

Mrs. Jack Robertson returned over the weekend from her trip to Ontario.

Mrs. B. Reinhardt and daughter Linda spent a few days with Mr. and Mrs. Albert Schneidmiller.

Mr. and Mrs. Linton Jacobsen returned home from Vancouver last week. The latter's mother, Mrs. Engstrom, came back with them on a visit.

The Henry Wlshusen family and Mrs. Goetjen and boy spent Sunday at Cremona visiting with Mr. Wlshusen who is employed there.

Those of us who took in the Legion chicken supper in town last Friday evening thoroughly enjoyed the delicious meal.

are already established as T.B. free areas.

This province has lagged behind Manitoba and Saskatchewan and the eastern provinces. One reason is because we have healthier cattle, but surely this is no reason why we should not eradicate this dread disease entirely.

Dr. Ballantyne told of a girl north of Edmonton dying recently from Bovine Tuberculosis. He also told of a herd of dairy cows being about 75 per cent infected but he said that out of a quarter of a million cattle tested for T.B. in Alberta in recent years only two out of every thousand proved to be infected.

When a district has fewer than two-tenths of one percent reactors it may be accredited for a period of six years without further testing.

**WEDDINGS**

GABEL—LYON

Ryerson United Church, decked with bronze and yellow chrysanthemums, was the scene of the wedding at 7 o'clock in the evening on November 9, when Grace Ellen, daughter of Mr. and Mrs. William Lyon, Hamilton, was married to Dr. Goldwin W. Gabel, of St. Catharines and Didsbury, Alberta, son of Mr. and Mrs. Henry Gabel, Didsbury, Alberta. The Rev. Arthur Organ officiated.

The bride, given in marriage by her brother, Mr. James D. Lyon, wore a full-skirted gown of white velvet and lace, the neck edged with a velvet bertha, and her finger-length veil was caught to a braided velvet headress. She carried Premier roses and white baby chrysanthemums. Mrs. Ross Humphreys, Aldershot, was matron of honour for her sister, and was gowned in bronze satin, her matching headress adorned with bronze ostrich feathers and veil. Her bouquet was of yellow roses and baby chrysanthemums.

Mr. Harry Bland of Toronto was best man, and ushers were: Mr. John R. Lyon, brother of the bride, and Dr. Kenneth Bates. Mr. Leslie Lamon, as organist, accompanied Mrs. Ross Humphreys, who sang during the service as well as attending the bride.

About 40 guests were present afterward at the home of the bride's parents. Mrs. Lyon received in a navy printed dress, with accents in navy blue and corsage of pink carnations. Assisting, the groom's aunt wore a grey costume with touches of white, and her flowers were pink carnations.

The bridal couple left for a motor trip to Gananogue and points east, and on return will live in St. Catharines. Going away, the bride was in a brown printed dress, her brown hair trimmed with an ostrich plume, and her coat was beige with brown accessories.—The Hamilton Spectator.

**NEWS OF ST. GEORGE'S CHURCH OF HARMATTAN**

A meeting of the W.A. of St. George's Church was held at the home of Mrs. Nels Peterson, with nine members and one visitor present. Roll call was answered by "My Favorite Hymn." Minutes were read and approved, and a bulletin from the Board of Calgary Diocese was read. Discussion took place on a utility cupboard to be erected in the vestry, and a shelf for books. Appreciation was extended to Philip Johnson in heating the church for services.

A chapter from the Study Book of Kangra was enjoyed before Canon Winter brought the meeting to a close with the Lord's Prayer and Benediction, and a dainty lunch was served by the hostess.

The next meeting will be held on December 13th at the home of Mrs. George Fagan.

The next service at St. George's Church is on November 27, at 12 noon. A cordial invitation is extended to all to attend.

**POOREN OUTLOOK FOR MANY EXPORTS**

During the next decade Canada will probably be able to export her surplus wheat even though the marketing arrangements by which this is to be done are far from clear. This is the opinion expressed by Dr. David MacFarlane in the October issue of Canadian Business. He feels, however, that the prospects for products other than wheat and which now have come to account for more than half of Canada's farm exports, are most discouraging.

Dr. MacFarlane believes that if Canada's exports are to be maintained something must happen to reverse the present trend towards large-scale expansion of agriculture in Europe and Asia. He also believes that another emergency device such as the European Recovery Plan must be found which will enable European nations to pay for their imports and that further large-scale loans must be made, a considerable portion of which should be set aside for food purchases. Mr. MacFarlane feels that the present trend towards bilateral agreements, to which nations are resorting because of their currency shortages, is a real threat to Canada's export market.

I just can't  
 save money!

That's what I used to say, and it was true. Sometimes I'd dream of the day when I'd have time and leisure to do all the things I wanted to do, but I had to admit I wasn't doing anything about it except dream. I never seemed to be able to put anything aside.

Now, I know those dreams will come true.

They're guaranteed. Through a simple saving plan which, strangely enough, I've found involves no hardship, I am now saving money for the first time in my life.

### BURNSIDE NOTES

Mrs. Emily Richardson celebrated her 75th birthday on November 13 and relatives and friends gathered at the home of Mr. and Mrs. J.C. McCulloch on the occasion. Guests from town included Mr. and Mrs. W. McCulloch Sr. and Mrs. E. Jenkins. Mrs. Richardson received a number of lovely gifts.

Mr. and Mrs. Phil McNeil visited Saturday evening with their son, Ed McNeil, and family.

Hannah Neufeld, who is being married this week, will make her new home at Hoadley.

Mr. and Mrs. Walter McCulloch and family attended the Morasch-Fulkorth wedding in Calgary last Wednesday.

Mr. and Mrs. Hugh Roberts were guests at the Mardon farm on Sunday.

A number of farmers from the Burnside district took in the coyote hunt last Wednesday.

Mr. E. Page and son Deric are holidaying at Vulcan with relatives.

Mr. and Mrs. Harold Shultz spent Tuesday with Mrs. Mardon.

### WESTCOTT ITEMS

Word has been received here that Mr. Bernal Reinhardt, who is employed by Morgan Construction Co., at present working in southern Alberta, met with an accident when he got a splinter in his eye, and latest reports are that the injury is not as serious as was first anticipated.

Among those spending a few days in Calgary last week were Mrs. Otto Folkman and Mrs. T. Spooner. Mrs. Nevada and Victor were also in Calgary on the weekend.

Mrs. John Jacobsen has moved to Sundre where she will join her husband, who is employed there.

Mr. and Mrs. Garry Bogner and little daughter spent the weekend visiting relatives here.

Mr. and Mrs. Louis Hildebrandt and daughter Carol were Sunday visitors with Mr. and Mrs. O. Folkman.

Mr. and Mrs. Herbert Goetjen were Calgary visitors the most of last week where Mr. Goetjen attended the Municipal Convention.

Marjorie and Elaine spent Saturday with sister Deloyce in the city, where the girls saw the show "Gone With the Wind".

Mr. W. Bagnall of Dog Pound and Mr. Ken Berguson of Cremona were visitors at the H. Goetjen home on Sunday.

The good weather continues and makes all happy. As each day of fine weather shortens our winter the stockmen are benefiting, especially since feed is so scarce.

### UNITED CHURCH SERVICES

Sunday services at the United Church will be held as follows:

Didsbury, 11 a.m.—Public worship will be conducted by the C.G. I.T. with Miss L. Tait as speaker, and special music. The Junior Sunday School will be held as usual. 7.45 p.m.: Evening worship. Music by Choir. Story for Young People. 9.00 p.m.: Y.P.U. weekly meeting in the schoolroom.

Westcott, 11 a.m.—Morning worship followed by Sunday School. Westerdale, 3 p.m.—Public worship followed by Sunday School for all ages.

Minister: Rev. J.W. Bainbridge, M.A., B.D.

## How does a Hillman go in Snow?

READ WHAT A SKI EXPERT HAS TO SAY  
ABOUT ONE OF HIS MANY LONG TRIPS

"On a Friday early last March," writes Mr. Mann, "we set out in our Hillman from London, Ont., for one of our regular weekend trips. We stayed in Ottawa overnight, and reached St. John's in the Laurentians next morning, after a lovely scenic drive over snowy mountain roads. We thoroughly enjoyed a strenuous skiing weekend, then left for London at 6 p.m. on Sunday, arriving at 10.30 next morning. Much of the credit for this wonderful winter trip goes to our Hillman. Even in deep snow, we cruised serenely along with ample power and traction. We covered a total of 1350 miles, at an average speed of 48 mph. Average gas consumption was a very welcome 307 miles per gallon!"

The Hillman Minx performs magnificently in the most exacting winter driving conditions, as thousands of Hillman owners know. A permanent network of dealers provides Hillman parts and service from coast to coast in Canada and the U.S.A. Ask your local dealer for a Hillman demonstration ride.

"We only claim 'up to 35 miles per gallon'."
